

The screenshot shows the IBM Cognos Analytics web interface. The top navigation bar includes the IBM logo and the text "IBM Cognos Analytics with Watson". A search bar is present on the right. The main content area is titled "Data Visualization charts". Below this, there is a table of content items. The table has columns for "Name", "Type", and "Last Accessed". The "Inventory module" is selected, indicated by a checkmark in the first column. A file upload progress bar is visible at the top of the page, showing "Initializing file upload..." with "Cancel" and "Details" buttons.
